- ES Roundtable Discussion

Part of the Oregon Wing OJT Workshop Series

9 May 2020

Dear Civil Air Patrol Airman,

You're invited to join us for a 3-part workshop series to learn about serving as an Emergency Services Officer from some experienced Emergency Services Officers.

Lt Col Ed Bos is hosting an online opportunity co-led by Major Frank deBros and Major Michael Zabetakis. These three CAP members are experienced ES Officers and National Emergency Services Academy Cadre.

These workshops will take place using the Zoom online meeting platform on 5 June, 12 June, and 19 June, between 1800 and 1930 hours (Pacific Daylight Time). Space is not limited, but RSVP is required to obtain the Zoom Meeting information.

In addition to approximately 4.5 contact hours, this course will include some self-study, several job aids that participants can add to their toolkit, and extensive opportunities to ask questions and get insights.

Participation is open to all interested CAP members, including Cadets. Cadets are eligible to earn the Emergency Services Specialty Badge, and this workshop will include some discussion on how the requirements can be met.

We are looking forward to some outstanding training and professional development for all the CAP personnel who choose to participate. Questions, comments, and recommendations should be emailed to Lt Col Ed Bos at edward.bos@orwgcap.org.
